SOUGHT LIFE OF COPPER MAGNATE

W. Goodman Arrested in Nev York for Threats Against His Benefactor.

NEW YORK, April 9 .- James W. Goodman, a machinist, was arrested here today charged with making threats against the life of William C. Greene, president of the Greene Consolidated Copper company. When Goodman was arraigned in Police court, Mr. Greene testified that Goodman lay in wait outside his house today, and that Goodman came up to him and said: "You're the man I'm laying for. Now I'm going to

kill you."
Mr. Greene said that Goodman rubbed against him and he felt a revolver in Mr. Greene added, and was there ar-

reafed. According to the police, two re-volvers were found in Goodman's pock-President Greene made a formal statement later in the day. The state-

ment says in part:
"The man Goodman was a compara-tive stranger to me. I have met him perhaps eight or ten times during the last four years. He was at one time Interested in some mining property in Sonora, which he and his partner, Frank Smith, transferred to the Yaqui Copper company, at 170 Broadway, in consideration of 100,000 shares of the capital stock of the company. The stock was issued them according to contract and a large portion sold by

"The stock at one time went to \$15 per shares, and Mr. Goodman's griev-ance is that, through what he claims was manipulation by myself and others, the etock was depreciated until at present it has a market value of much less than \$15 per share.

"The only reason that I can give for his act was that the money he had

received he had squandered, was desperate and without means, and he expects to force me to give him an amount of cash sufficient to make up his losses in stock. I understand that he has lived many years in Arizona and

Honored and Respected Among Men, After More Than 50 Years of Constant Service in the Presbyterian Church, Dr. McLeod Makes the Following Frank and Outspoken Statement of What Duffy's Pure Malt Rev. A. McLeod, D. D., of the Detroit Whisker Has Done for Him :- Presbytery.

"I am now in my 73rd year and have served God fearlessly and to the best of my ability in my chosen calling. For more than forty years I have been afflicted with dyspepsia and nervous prostration. At times I would get so run down constitutionally through overwork as to be disqualified entirely from discharging my ministerial duties. The older I grew the more the discase seemed to prey upon me. The most noted physicians falled to prescribe any medicines that benefited me. I could neither eat nor sleep, and for more than two years I had to take sleeping powders every night. powders every night.

My nervous prostration became well nigh unbearable. But for the grace of God helping me, I would not be in the land of the living. Language fails to express the agony of my mind. Something over a month ago I began taking your preparation.

I will be glad to answer any communications in regard to the healing virtue of your preparation. I am a temperance man, and I do not think my position in this matter will be misunderstood.
